READ Local - Arizona Author Collection

The "Eat Local" movement encourages people to buy and eat food that is harvested within the community. This movement gives consumers an opportunity to discover unique community bounty and re-establishes the connection between the eater and the grower.

In the spirit of the Eat Local movement, the Scottsdale Public Library is piloting a new READ Local - Arizona Author Collection in order to showcase the emerging literary efforts of our community, introduce readers to unique homegrown talent that is not yet nationally known, and

give local authors a tangible way to connect with Arizona readers. This special circulating collection will be housed at the Civic Center Library and will feature youth, teen and adult fiction and nonfiction materials.

Arizona authors of all ages are encouraged to submit their publications for consideration. Materials will be selected based on the submission guidelines below.
